ZING

The image features a solid, deep red background. In the top right and bottom corners, there are abstract, hand-drawn geometric shapes. These shapes consist of overlapping lines in white, light blue, and light green, creating a sense of movement and depth. The lines are irregular and angular, resembling stylized waves or abstract architectural forms.

THE **3C**  
COMPANY

THINK GREEN. LIVE GREEN.

## *Adding a new dimension to the Green Revolution*

Leading the bandwagon and heading the 'GREEN Revolution' in Delhi NCR, The 3C Company is progressing at a fast pace by developing sustainable buildings. THREE PLATINUM & TWO GOLD RATED LEED certified Green Buildings by the IGBC (Indian Green Building Council) under the umbrella of USGBC (United States Green Building Council) by themselves testify the impeccable architectural excellence of the company.

The company has excelled and achieved milestones by having already delivered, more than 12 million square feet of niche developments.

With a vision to provide a healthier living and creating a greener planet, The 3C Company recently launched three Green Residential projects - Lotus Boulevard, Lotus Boulevard Espacia and Lotus Panache in Noida. Largely driven by the awareness, acceptance and demand of the end users, these projects have brought about a paradigm shift in the real estate industry.

Keeping in line with its tradition of designing architectural marvels, The 3C Company is proud to present 'Lotus Zing', a green residential estate that salutes the spirit of today's youth.
